

*Roy's Auto Repair* is the cornerstone of auto repair in West County. Family-owned for more than 25 years, Roy's is widely known for their honesty and quality work.

"We want our customers to be able to drop off their vehicles and feel assured that we will take care of them in a timely manner and at a fair price," said Steve Johnson, operations manager and son-in-law of owners Roy and Carol Esslinger. "You don't have to worry about high pressure sales tactics here; just come in for what you need and leave with exactly that."

Roy's offers much more than oil changes and tire repairs, including major repairs for all domestic and foreign models.

Their highly trained technicians with more than 100 years of combined experience are ASE certified in eight areas of repair, including engines, brakes and transmissions, cooling and A/C systems. They are continuously trained and tested, so customers can be confident that their vehicles are in good

hands. Equipped with the latest in diagnostic testing equipment, Roy's staff can tackle any automotive issue and correct it the first time.

Roy's is a licensed Missouri State Safety and Emissions Testing facility and state-recognized emission repair shop. If a vehicle does not pass its emissions test, Roy's can correct the problem.

Services unique to *Roy's Auto Repair* are e-mail service reminders and coupons; 24-hour drop-off service; six days a week service; after-hours voicemail; and monthly online specials.

Take it from their ever-expanding loyal customer base: Roy's Auto Repair is the best and safest bet in automotive repair.
