With the same retail stores in every mall, dressing uniquely can be a challenge. What to do? Turn to *Susan Lynn's*, a boutique that offers clothing and accessories that cannot be found on racks at any mall.

Susan Luina opened *Susan Lynn's* more than five years ago because she believed that West County lacked but needed a store of its kind. The shop offers ladies a full range of upscale clothing and accessories, including jewelry and handbags.

"We have everything from jeans to black tie, and we are happy to special order if we do not carry your size," Luina said.

Susan Lynn's clothing and accessories also are available for purchase online.

Luina carefully chooses her merchandise for its style and quality, selecting only those garments and accessories that meet her high standards.

"We are always looking for the latest up-and-coming designer," she said.

Among regular customers, there is a strong demand for several labels that

Susan Lynn's carries. Luina said designers Milly and Safia are big sellers and have found loyal customers. The boutique also carries Allen Allen, Susana Monaco's Lilly Pulitzer and Fortune Denim to name a few, and the line-up is always changing with fresh new styles.

"There is a style and designer out there for every one," Luina said.

A woman might remember *Susan Lynn's* for the cute handbag she bought there or the jeans that fit just right, but above anything else, she will remember the store for its exceptional customer service.

"We care very much about taking care of our clients – our friends," Luina said.
